## TO REORGANIZE THE G. O. P.

The National Committeemen Meet in Washington for Purpose

### NEW BASIS OF REPRESENTATION

Full Committee Will Meet in December and Discuss Call

Washington, Nov. 12.—Plans for reorganization of the Republican party were discussed here yesterday by the law committee of the Republican national committee. Proposals for changing the number of delegates and representation basis in the national convention along lines put forward by the progressive faction of the party were taken up. The discussion indicated individual opinions that the national committee had not the power of itself to change the basis of representation, but that it could call on intermediate convention to make that and other changes. The sub-committee recommendation will be considered by the national committee here Dec. 15. That the national committee has not the power to change the basis of representation to the Republican national convention will probably be the decision of the law committee. Charles B. Warren of Michigan, chairman of the law committee, presided yesterday morning, and read a carefully prepared legal opinion on the subject. Other present were Representatives James R. Mann of Illinois, Sherman Granger of Ohio, Roy O. West of Illinois, and J. B. Reynolds, secretary of the national committee.

## PINDELL SEES THE PRESIDENT

He Intimates That the Letter Alleged to Have Come from Lewis Is Forgery.

Washington, Nov. 12.—Henry M. Pindell of Peoria, Ill., selected for ambassador to Russia, Secretary Bryan and Samuel M. Graham, assistant attorney general, went into conference with President Wilson early yesterday concerning the publication of a letter purporting to have been written by Senator Lewis of Illinois to Mr. Pindell, offering the latter the St. Petersburg post on condition that he resign at the end of one year. President Wilson has indicated he would investigate all the circumstances connected with the letter and the summoning of Mr. Graham was taken as an indication that the department of justice might look into the affair. Intimations have come from Mr. Pindell that the letter was a forgery. The Russian government had already notified the state department Mr. Pindell would be persona grata.

## WILSON AND WALSH DISCUSS BAY STATE

Governor-Elect Has Another Conference with the President—Politicians Are Curious.

Washington, D. C., Nov. 12.—Governor-elect Walsh had another conference with President Wilson yesterday and at the conclusion of a meeting lasting nearly a half hour left the president's office with Col. E. M. House, confidential adviser to the president on many matters. It was intimated that the president was favorably impressed with the Massachusetts governor-elect, and it would not surprise Bay state politicians here if Walsh was given the last word on state patronage. It is said that the president wants Walsh as the guardian of the Bay state plum tree, so that Mayor Fitzgerald and his lieutenants can be side-tracked.

No definite word was obtainable yesterday regarding the selection of a successor to the United States district attorney in Boston.

## AN ADVERSE DECISION

On New Haven Bond Issue in Rhode Island.

Providence, R. I., Nov. 12.—A decision that the proposed \$2,500,000 bond issue of the New York, New Haven & Hartford railroad will not be legal in Rhode Island has been announced by Bank Commissioner George H. Newhall. Commissioner Newhall points out that the issue will not comply with the state law which requires that in such case the earnings of a corporation shall be twice the interest charged. Under this decision, trust companies in Rhode Island can buy the bonds if they are issued, but cannot carry them as assets, and savings banks cannot deal in them at all.

451 East 7th St., South Boston, Mass.—“I first noticed little pimples on my hands and arms and they began to fester and crum to a head. The burning and itching were so intense that I scratched till I made bleeding sores and they pained me very much. It seemed when my clothing touched me that I would scream. I could not sleep at night. I would turn and toss all night. I suffered torture. It seemed as though I should go frantic. I did not seem to care what happened; I did not care whether I lived or not.”

“I tried various other soaps and ointments with no help. I did not know what to do until a friend told me to use Cuticura Soap and Ointment. I had only used the Cuticura Soap and Ointment a month when my hands and arms were all better.” (Signed) Mrs. Elizabeth B. Gustin, Nov. 1, 1912.

## \$10,000 STOLEN FROM MAIL.

Col. Stuart, Postoffice Inspector at Chicago, Accuses Mail Wagon Driver.

Chicago, Nov. 12.—Theft of money and jewelry valued at \$10,000 from a mail sack was disclosed yesterday by Colonel James Stuart, postoffice inspector here. The crime is alleged by Colonel Stuart to have been committed by Albert Tardy, a mail wagon driver.

The theft occurred Monday. Tardy's wife said Tardy visited her for a few moments that night, told her that he had stolen \$10,000 from a mail sack and would write to her as soon as he had escaped “across the border.” He gave her a small sum of money, she said, and left, saying that he could catch a midnight train, whether for the Canadian or the Mexican border he did not say. Colonel Stuart said Tardy served a term in the Missouri penitentiary for highway robbery and another at Joliet for attempting to steal a truckload of trunks. The robbery was witnessed by several persons.

## FATAL TO GOOD LOOKS

Thin Blood and Nervousness Will Quickly Wreck Beauty.

Pale people are generally nervous. Thin blood not only affects the complexion by robbing cheeks and lips of color but it also weakens the nerves by robbing them of nourishment.

When you have so far lost control of your nerves that you “fly to pieces” over the least little noise or excitement, it is high time to give your nerves a rest, and to build up your blood. The drawn look, the sunken eyes, the deepening lines about the mouth and forehead, the loss in weight, are plain signs that the nerves and the body are being poorly nourished. Don't put off taking Dr. Williams' Pink Pills any longer. You may be nearer a collapse than you think.

Dr. Williams' Pink Pills are a fine remedy for the treatment of nervousness, neuralgia, sciatica, nervous dyspepsia and St. Vitus' dance.

Vaudeville Company Also Named as the Defendant in \$300,000 Action.

The Central Vaudeville Promotion company, Benjamin F. Keith, A. Paul Keith, Frederick F. Proctor, Edward F. Albee, John J. Murdoch, Morris Meyerfeld, jr., and Martin Beck also are named as defendants.

The Marinelli concern, which is engaged in hiring vaudeville performers, alleges that its business has been destroyed by the defendants, who are charged with controlling the vaudeville business in this country and with blacklisting performers and theatres in the Keith and Orpheum circuits.

## MAY PUT PREMIUM ON SINGLE LIVING

Experts Are Involved in an Unexpected Turn to the New Income Tax Law.

Washington, Nov. 12.—Among the troublesome questions that came up yesterday for consideration by the income tax experts of the treasury department was this one: “Is the income tax going to put a premium on single blessedness?”

Advocates of the law contended it would put a premium on marriage, but its interpreters now have found the paragraph affecting married persons not so easy of comprehension after all. The law reads: “There shall be deducted from the amount of the net income of each of said persons (meaning taxable persons) the sum of \$3,000 plus \$100 additional if the person making the return be a married man with wife living with him, or plus the sum of \$1,000 additional if the person making the return be a married woman with a husband living with her; but in no event shall this additional exemption of \$1,000 be deducted by both husband and wife.”

“Provided that only one deduction of \$4,000 shall be made from the aggregate income of both husband and wife when living together.”

That looks simple enough, but the experts don't think it is. For instance, they have to rule on whether two married persons living together, each of whom has an income of \$3,000, must pay the tax. As individuals each would be exempt. Does marriage make them with an aggregate income of \$6,000 subject to the tax?

Another question that does not particularly concern the treasury but which will interest husbands and wives is, who is to pay the tax in case a joint income is taxable? Is it to be proportioned according to the income of the individuals, or is the husband to pay it all?

## THROAT Troubles ARE Dangerous

because the swollen glands and inflamed membranes often affect other tissues and impair their healthy action.

Scott's Emulsion stands alone as nature's corrector of throat troubles; its cod liver oil is speedily converted into germ-resisting tissue—the glycerine is curative and healing, while the combined emulsion builds the forces to avert the weakening influence which always follow throat troubles.

SCOTT'S EMULSION is best for three important reasons—it relieves the trouble; it prevents a relapse; it is not charged with alcohol or stupefying drugs.

Shun substitutes and insist on Scott's.
